

**MOUNT NPT
1.5" COMPATIBLE
ACCESSORIES TO
THE CEILING**

BT5965

CCTV CEILING MOUNT WITH NPT ADAPTER

The BT5965 is a ceiling mount designed to fix equipment such as CCTV cameras using an NPT standard 1.5" thread. Available with a 1 or 2 metre ceiling drop, the BT5965 features integrated cable management allowing cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories such as a flat screen can be added with the use of a $\varnothing 38\text{mm}$ accessory collar (BT5952) and compatible screen mount.

SPECIFICATION

Max. load	25kg
BT5965-FD100 drop length	1067mm
BT5965-FD200 drop length	2067mm
Colour	White

FEATURES

- Mount an NPT 1.5" compatible accessory to the ceiling
- Available in a choice of two different drop lengths
- Multiple grub screws allow micro-adjustment of the pole to ensure a perfectly angled drop
- Safety bolts ensure pole and adaptor are securely joined
- Integrated cable management allows cables to pass through the centre of the pole to the screen mount and out through the top or side of the ceiling mount
